

INNER DEVELOPMENT GOALS
Transformational Skills for Sustainable Development

GLOBAL LEADERSHIP FOR SUSTAINABLE DEVELOPMENT

A global leadership programme to accelerate work towards Sustainable Development Goals, through inner development.

MARCH - SEPTEMBER 2024

WHO SHOULD APPLY?

Organisations across Albania, Argentina, Brazil, Chile, Colombia, Costa Rica, Ecuador, India, México, Netherlands, Peru, Rwanda, Tunisia, UK, and Zambia wanting to accelerate progress in their sustainability efforts.

Organisations committed to implementing the SDGs within any sector - public, private, academic or civil society.

Organisations keen to shift the narrative and approach to sustainable development - pioneering the integration of inner development into their strategies, policies, activities and operations.

Organisations open to cross-cultural collaboration and networking amongst diverse stakeholders.

Want to join the GLSD programme? **Apply before January 31st 2024 and join a group of global leaders!**
